THURSDAY, MAY 21, 1903.

HOPKINS is one of the three counties in the State that have closely approached in subscriptions to the Kentucky Exhibit Association fund the amount they would have had to pay had the State made an appropriation of \$10,000 for Kentucky's representation at the Louisiana Purchase Exposition next year. The other counties are Boyd, which has subscribed \$905, and Muhlenberg, which has contributed \$726. Hopkins' subscriptions to date amount to \$1,000 and are divided as follows:

Reinecke Coal Mining Co. \$325.00
Madisonville.....
St. Bernard Mining Co., Earl-
ington..... 500.00
Victoria Coal Co., Madison-
ville..... 175.00

It is the belief of officers of the Association that several additional large subscriptions will come out of our county, running the total above \$1,500 and perhaps \$2,000.

The Exhibit Association has asked us to receive any additional subscriptions that citizens may desire to make and we have in our office some of the subscription blanks being sent out by the organization. Subscriptions to the fund will also be received by any member of the Association, those for Hopkins being I. Bailey, C. C. Givens, R. Lafoon, Madisonville; R. B. Bradley, Barnsley; J. L. Rogers, Nebo; Col. John B. Atkinson and James R. Rash, Earlington.

Among the other counties already represented on the subscription books of the Kentucky Exhibit Association are Ballard, Barren, Bell, Boone, Boyle, Bracken, Breckinridge, Campbell, Carroll, Clark, Crittenden, Fayette, Franklin, Grant, Henderson, Hickman, Jefferson, Jessamine, Johnson, Kenton, Laurel, Lawrence, Livingston, Lyon, McCracken, Madison, Marion, Mason, Montgomery, Nicholas, Spencer, Trigg, Union, Warren, Whitley. Few of these counties have contributed sums equal to their apportionment under a State appropriation, but their citizens are at work and they will make a good showing. Barren has raised \$150; Bell, \$158; Carroll, \$202.40; Crittenden, \$200; Fayette, \$2,048; Kenton, \$1,550; Laurel, \$100; Lawrence, \$150; Livingston, \$100; Mason, \$613.38; Montgomery, \$300; Whitley, \$225. Louisville alone has subscribed about \$12,000 and will raise several thousand more.

We see many of the newspapers are using the union label on them. This is all right if it suits the outfit. We have no comments to offer or suggestions to make. But when the Unions demand that the union label be placed on all moneys issued by the government we think it is a little too much unionism. It is not at all improbable that the next modest request made by the unions will be to change the present design on the coin of the country and substitute a likeness of John Mitchell with the union label under it. Wouldn't it be great to see the motto: "In him we trust" placed over his photo on our silver dollars.

The Earlington Bee is the best advertising medium in Hopkins County. Try it and see.

TRADES unionism is growing seedy in New York, where Italians, lately landed, have been bearing about banners with the inscription: "American labor for American workingmen." Many of these Italians have been employed in the Rapid Transit tunnel work, and here these Italians have been rioting violently for the past several days. Desperate attempts have been made to dynamite the tunnel and numerous battles with the police have occurred. These "Americans" cannot speak a word of English, many of them, but they serve the purpose of the socialist labor agitator.

MID-SUMMER RAIL-ROAD EDITION.

The Bee Will Issue Illustrated Number Devoted to Henderson Division L. & N.

INTERESTING HISTORIC DATA WILL BE PUBLISHED FOR FIRST TIME.

THE BEE's special mid-summer railroad edition will be one of the best railroad papers ever issued in Kentucky. In addition to the personal write-ups of the railroad men of the Henderson Division and their half-tone cuts, it will contain views of important railroad buildings along the line, such as the new passenger station at Evansville, the round-houses at Howell and Earlington, the depot at Earlington and other places and views of passenger and freight trains. A complete history of the Henderson Division from the time it was surveyed up to the present time, the changes it has undergone and a great deal of interesting railroad data will be given in this edition.

A great many of the men on the division have already subscribed for copies of the mid-summer edition and others are subscribing every day. We wish to make this a thoroughly creditable special edition of THE BEE and want the co-operation of every railroad man on the Henderson Division. It is gotten up in their interest and benefit, and consequently should receive their liberal patronage.

W. F. Sheridan, our recent train master said before he left for Mexico that a railroad paper of this character was worth \$5 to any H. D. railroad man now and in the course of time would be worth \$20, on account of the personal write-ups of the men if nothing else.

All of the dispatchers, including the chief, several conductors, engineers, firemen and brakemen have already signed contracts for copies of the edition. Foreman L. H. O'Brien is a subscriber, as is also Mr. Walsh and Supt. Jno. W. Logsdon, of Evansville. We want every employee of the H. D. to get this edition of THE BEE and feel sure it is well worth the price asked.

Cheap Homes in Texas and Arkansas.

Along the Cotton Belt Route—land that can be bought for \$2.00 to \$5.00 an acre and up—cut-over timber ground that makes good grazing land, furnishing range ten or eleven months of the year, farming land for corn, wheat, oats, cotton—some of it peculiarly adapted to quick growth and early maturity of fruits and vegetables, such as peaches, pears, plums, strawberries, tomatoes, potatoes, onions, cabbage, melons—finding good markets in the north at fancy prices, on account of excellence of quality and earlier maturity than in other sections. An ideal place for the man of small means—cheap fuel, cheap building material, long growing seasons, short, mild winters—a land of sunshine and plenty. Let us send you literature descriptive of this country.

"Homes in the Southwest," "Glimpses of Southeast Missouri, Arkansas and N. W. Louisiana," "Through Texas with a Camera," "Fortunes in Growing Fruits and Vegetables," "The Diversier," a fruit and truck growers' journal.

On the first and third Tuesdays of each month the Cotton Belt Route will sell one way tickets from St. Louis, Thebes, Cairo and Memphis, to points in Arkansas, Louisiana and Texas, at half the one-way rate plus \$2.00 or round trip tickets at one fare for the round trip plus \$2.00, allowing stopover going, and return limit of 21 days.
